The London Mathematical Society

South West and South Wales Regional Meeting 2008
and subsequent *Workshop on Calculus of Variations and Nonlinear PDEs*

15-17 September 2008, Mathematics Department, Swansea University

The 2008 *South West and South Wales Regional Meeting* of the London Mathematical Society will be held at Swansea University during the afternoon of *Monday the 15th of September 2008.*

On the day, there will be three invited lectures, all aimed at a general mathematical audience. All interested parties (whether LMS members or not) are most welcome to attend this event. There will be a reception and dinner in the evening.

Meeting Speakers

2.00pm **Nicola Fusco** (Naples, Italy)
Equilibrium configurations of strained films: Existence, regularity and qualitative properties

3.00pm **Istvan Gyongy** (Edinburgh, UK)
Numerical solutions of optimal stopping and control problems

*4.45pm* **Bert Peletier** (Leiden, Netherlands)
Dynamical systems in pharmaceutical sciences

Local Organizers

- Niels Jacob, Vitali Liskevich, Kewei Zhang, Elaine Crooks, Vitaly Moroz

Limited funds are available to contribute to the expenses of the members of the LMS or research students. See the webpage for further details.
